

## BY TRAIN

Luton railway station is situated 50 metres from Bute Mills. Exit the station towards the town centre, passing Starbucks to your right, and you will immediately see the Mill across to your left. The main entrance is at the front of the building. Note the correct station is Luton NOT Luton Parkway.

## BY COACH / BUS

Luton bus terminal is situated 50 metres from Bute Mills. Head towards the town centre, passing Starbucks to your right, and you will immediately see the Mill across to your left. The main entrance is at the front of the building.

## BY AIR

Take the Stagecoach bus Route 99 from Bay 7 outside the Terminal building to Luton railway station (it runs first to Luton Parkway station then on to the main Luton station). From the station, head towards the town centre, passing Starbucks to your right, and you will immediately see the Mill across to your left. The main entrance is at the front of the building.

## BY ROAD TO BUTE STREET SHOPPERS CAR PARK

From the M1, exit at Junction 10 and continue along dual carriageway to traffic lights after approx. half a mile. Turn left at the lights down a short slip road to a roundabout. Take the first exit left, passing a retail park on your right. Continue over two smaller roundabouts until you reach a larger roundabout with traffic lights. Cross over this roundabout taking the second exit and passing St Mary's church on your left. Continue over a further set of traffic lights passing a multi-storey car park on your left and an Avis car rental branch. You will immediately reach a junction with two smaller roundabouts. Cross over the first taking the second exit and veering right. Cross over the second taking the second exit (the first is one-way and you cannot take it). Immediately on your left, before the bridge, you will see a turning on your left into the Bute Mills shoppers car park. Turn in here and drive towards the other end of the car park. You will see Bute Mills on your left. Parking is pay and display.
